

Moms Helping Moms

Come Join Us On February 23, at 1 PM for Moms Helping Moms.
The event will be held in Mt. Pleasant at Crème de la Crème.
(Intersection of Route 17 and Highway 41 behind the CVS)

Sit comfortably, treat yourself to your favorite Crème de la Crème cup of coffee and learn about non-toxic, green cleaning products that protect your family and the environment. Did you know that 9 out of 10 poisonings occur at home with household products? This event allows women to connect and explore how by simply changing some purchasing habits, they can remove toxic products from their homes while saving money.
