Come join us to learn how by simply switching stores and saving money, you can remove toxic products from your home while supporting a deserving charity. Now is your chance to give back by simply changing some purchasing habits. CrossBridge Family Ministries is a nonprofit 501(c)(3) organization located in Mount Pleasant. This family ministry is dedicated to helping families with loved ones at the Medical University of South Carolina (MUSC) or other local hospitals cope with critical medical emergencies and other life changing events. Regardless of faith and without prejudice, CrossBridge offers assistance to those in need so that they can focus on the healing process of their loved ones.
